

# The Bridge to a **Healthy Kansas**

A Kansas health care coverage solution

## **Restore** the Governor's cuts on KanCare providers

- Protect access to care in rural and urban communities
- Prevent further strain on the current health care system

## **Reform** the KanCare program

- Reduce administrative burdens on KanCare providers
- Standardize care for patients
- Provide the right care, in the right amount, in the right setting and at the right time

## **Expand** the KanCare program

- Improve the health of Kansans
- Protect our local communities and hospitals
- Create jobs and stimulate the economy

Join us in supporting access to health care by **restoring** the Governor's cuts on KanCare providers, **reforming** the KanCare program, and **expanding** the KanCare program for 150,000 hardworking Kansans.
