

KANSAS HOSPITAL

Educational Webinar

July 10, 2018

3:00 - 4:00 p.m.

Tools for Engagement: We Care We Vote

This year will be a critical election year, and the individuals we elect will make many important decisions concerning the future of health care – and, ultimately, the future of Kansas hospitals.

The Kansas Hospital Association is launching the We CARE We VOTE campaign, a statewide initiative to empower and educate health care workers across the state about what's at stake for Kansas hospitals this election year. The campaign encourages hospital employees to vote in the 2018 election to show elected officials and candidates that we care—for our patients, our communities, and our local and state economies.

Join us for a webinar at 3:00 p.m. on July 10, when KHA staff will walk through the resources mailed to members and discuss what you can and cannot do during your hospital campaigns before the August and November elections.

Additionally, KHA staff will provide a brief media and message training on the current issues impacting hospitals and how best to present them when discussing the issues with the media and at public events.

Who Should Attend

Suggested attendees include CEOs, administrators, directors, managers, communicators, public relations and government relations executives.
