Join Us in Recognizing [Sen./Rep. Name(s)] for [his/her/their] Support of Health Care in Kansas

To formally thank [Sen./Rep. Name(s)] for [his/her/their] unwavering support of healthy Kansas communities, we are hosting a special event on [date and time] at [location]. All staff are invited to attend.

The reason for this ceremony is simple: on every high-priority, health care issue addressed during the 2017 Kansas legislative session, [Sen./Rep. Name(s)] voted in support of the health of our community. Such legislative issues included KanCare reform and expansion, reversal of the 2016 Medicaid provider cuts, and the conceal carry exemption for public hospitals.

I encourage you to join us as we recognize [Sen./Rep. Name(s)] for [his/her/their] support of health care in Kansas and in our community. Together, we will express our appreciation for [his/her/their] support, as well as our hope that we can count on continued support during next year's legislative session and beyond.

[Optional additional information, such as the event agenda, can be included here.]

We hope to see you there,

[Hospital CEO]
