*Hospital Volunteers
of Kansas*

Hospital
Membership
Application

The organization for **hospital volunteers**.

An allied organization of the
Kansas Hospital Association

Since 1952 HVK, formerly known as HAK, has promoted and supported strong, viable healthcare volunteerism in Kansas hospitals.

We invite you to join us in supporting the volunteer efforts in our hospitals as we strive to promote better health and health care in Kansas.

HVK Mission Statement

Hospital Volunteers of Kansas provides assistance, communication and education to local volunteer organizations and supports the established goals of the Kansas Hospital Association to promote better health care in our state.

Our Goals

The goals and objectives of the Hospital Volunteers of Kansas are to:

- Establish a statewide volunteer network to foster health care volunteerism at the grassroots level
- Provide educational programs and services to increase the knowledge and skills of healthcare volunteers
- Develop volunteer leadership
- Create awareness of health care issues and encourage public support of the Kansas community health care system

HVK Purpose

The purpose of this association shall be to:

- Act as a coordinating body for its volunteer members
- Assist in the organization of hospital volunteer organizations
- Develop leadership
- Promote community awareness
- Promote benefits and objectives of member volunteer organizations
- Work with the Kansas Hospital Association (KHA) in the promotion of better health care

About Us

The Hospital Volunteers of Kansas comprises six distinct districts, each overseen by a dedicated District Coordinator serving on the Board. These coordinators engage with volunteer groups in their area, fostering collaboration and providing support through scheduled visits upon invitation.

The HVK Board of Directors is made up of volunteer leaders from across Kansas. This board serves as the central coordinating entity, overseeing activities within our organization. Their commitment and strategic guidance form the backbone of our impactful initiatives and the seamless integration of hospital volunteer efforts across the state.

Hospital Member Benefits

- The president of your organization will receive four (4) issues of *The Sunflower Newsletter*, which contains many ideas about successful fundraising and service ideas to share with your organization.
- Your organization will receive the HVK roster containing name and contact information of all member volunteer organization's presidents, associate members, HVK Board members and KHA officials.
- Members are invited to attend annual district meetings held in the spring and:
 1. Network to learn new ideas and best practices shared by other HVK member groups
 2. Hear current legislative information
- Receive assistance from state HVK leaders with problems upon request. HVK also helps with the start of new member volunteer groups and revitalization of existing organizations.
- Members are invited to attend the biennial HVK Convention for a fee and have the opportunity to:
 1. Attend HVK programs
 2. Learn about a variety of health related topics
 3. Networking with other hospital Volunteers across the state
 4. Learn about national trends in volunteering
