## 2018 KAHVRP Membership Enrollment

The Kansas Association for Healthcare Volunteer Resource Professionals (KAHVRP) provides an organized structure for ongoing development, advancement, and recognition of professional administration of Departments of Volunteer Services within healthcare facilities. KAHVRP has grown from our state's first organization of Volunteer Administrators (Kansas Directors of Volunteers Association), founded in 1969. And it's still growing!

Your membership in KAHVRP gives you an opportunity to guide the growth of the organization to meet your needs as a manager of healthcare volunteers. KAHVRP is an allied group with the Kansas Hospital Association and holds its annual business meetings as part of the November KHA/HAK Convention.

**Opportunities** - KAHVRP offers opportunities to participate in activities aimed at increasing knowledge and improving skills in the field of Healthcare Volunteer Administration. By upgrading your skills, both you and your institution are winners! As a KAHVRP member, you receive newsletters to keep you posted about state and regional programs and inform you of trends in volunteerism in healthcare institutions across the nation. KAHVRP gives you a chance to know other Healthcare Volunteer Administrators and to share professional knowledge, skills, and challenges with them. It's reassuring to know help is just a phone call or e-mail away!

**Eligibility** - Members must be employed and/or recognized by the Administration of healthcare institutions as having major and continuing responsibility (as director, assistant, or coordinator) for the institution's volunteer services program, or those in transition from their former institution and wish to continue KAHVRP affiliation, which are eligible for, but do not hold active institutional membership in the KHA and must pay annual dues of \$30. Annual dues shall be paid on or before December 31 and become delinquent on March 1. Dues for new members joining after October 1 of a calendar year will apply towards membership for the next calendar year. It's quite a bargain, especially as you become an active member networking with your fellow Healthcare Volunteer Resource Professionals!
