

Kansas Healthcare Engineers Association

Application for Membership 2025

Following the initial application, membership fees will be due on March 1, Dues become delinquent on March 1st of each year. Memberships are on a calendar year basis. January 1 – December 31,

The Kansas Healthcare Engineers' Association is affiliated with the Kansas Hospital Association. It is organized to enhance the development of effective procedures in health care facilities and provide educational opportunities for personal growth of its members. The Association provides several educational opportunities each year, including a fall conference.

I hereby apply for membership in KHEA and certify that I meet the membership requirements as described below.

- Regular Persons active in the field of engineering and maintenance **in** a hospital, nursing home or other licensed healthcare facility are eligible for membership with full voting privileges.
- Associate Associate, non-voting memberships are available for individuals active in support services related to the field of healthcare engineering and maintenance, which includes manufacturers, vendors, distributors and their respective employees.
- Emeritus KHEA members who have retired from their healthcare engineering position but wish to remain active in KHEA. (A conference fee still applies to Emeritus members).
