

BEYOND RACE AND ETHNICITY:

ADVANCING HEALTH EQUITY FOR PATIENTS WITH SEPSIS

Join us **THURSDAY JUNE 27 at 10:00 AM PT / 1:00 PM ET** for an insightful and transformative event as we delve into the innovative efforts at Providence Mission Hospital to promote health equity for patients with Limited English Proficiency (LEP). This session will spotlight a groundbreaking and *patient-centered approach* that has significantly enhanced patient care and outcomes, especially for those diagnosed with sepsis. Register today [HERE!](#)

Featured Speakers:

- **Moojan Rezvan** - Supervisor, Interpretive Services & Health Equity Fellow, Providence Mission Hospital
- **Emily Cusick** - Sepsis Clinical Coordinator, Providence Mission Hospital

Event Highlights:

- **Story of Impact:** Discover how Providence Mission Hospital identified a critical health disparity among sepsis patients and implemented a patient-centered, data-informed solution.
- **Innovative Strategies:** Learn about the practical, straightforward steps taken to *improve sepsis length of stay* and *reduce avoidable readmissions*.
- **Scalable Solutions:** Gain insights into how this approach can be adapted and applied to hospitals of all sizes and types.

Why Attend?

- **Enhance Patient Care:** Understand the importance of addressing health equity to improve outcomes for LEP patients.
- **Learn from Experts:** Benefit from the experiences and expertise of leading professionals in health equity and clinical coordination.
- **Transform Your Hospital's QI Efforts for Sepsis, Readmissions, and Health Equity:** Take away actionable strategies that can be integrated into your own healthcare setting to ensure equitable care for all patients.

Don't miss this opportunity to be part of a crucial conversation on health equity and to learn from a pioneering initiative that is making a real difference. Reserve your spot today and join us in advancing health equity for a healthier, more inclusive future.
