

## Corporate Overview

Our mission is to improve the health and lives of our members by delivering high-quality health care.

We provide **low cost, effective and appropriate access to care**, along with reliable service to both members and providers.

As enrollment numbers have grown throughout the **COVID-19 pandemic**, our managed care plans continue to provide high-quality care to members.

In 2020, we organized and funded the **MolinaCares Foundation**, an independent charitable organization committed to investing in building stronger communities with key priorities surrounding social determinants of health and equity.
