Mark Your Calendar for the 2024 Convention: *Champions of Change*

The 2024 [Kansas Hospital Association Annual Convention](#) and [Trade Show](#) is Sept. 5-6, in Overland Park. We are thrilled to announce the convention theme *Champions of Change*. Our Convention Planning Committee has done an excellent job selecting speakers that lean into this theme that reflects the leadership of our health care teams and how we take hold of opportunities and demonstrate dedication and courage. Like our championship teams in Kansas, hospitals and health care teams push to be the best and think outside the box to succeed through these changing times. We also are excited to launch this new newsletter, *Convention News*. Starting in July, you will get regular updates on our convention and trade show through *Convention News*.

A [tentative agenda](#) for the 2024 Convention and Trade Show is now available. If you have any questions about the convention, contact [Hayley Finch-Genschorck](#), and if you have questions about the trade show, contact [Melissa Willey](#) at (785) 233-7436.
