KHA Convention Registration Now Open!

[Register](#) and plan to attend this year's [KHA Annual Convention](#) and [Trade Show](#), Sept. 5-6, in Overland Park at the Sheraton Overland Park/Overland Park Convention Center.

This year's convention will provide attendees with excellent education and opportunities to network with peers. Justin Wren will be our keynote speaker. General session speakers include David Agus, MD, Erin Stafford, Marcus Engel, CSP, and Dan Meers. Visit the [convention page](#) on the KHA website to view video clips of convention speakers, registration materials, the agenda and hotel and room block information.

Registration materials have been mailed. [Online registration is available](#); credit card payment is required when registering online. Because of ongoing supply chain shortages, tickets purchased by Friday, Aug. 16, will ensure you are included in the meal counts.

If you have questions, please contact [Hayley Finch-Genschorck](#) at (785) 233-7436. We look forward to seeing you in Overland Park.
