Digital Toilet Paper Drive

One of our convention speakers, [Dan Meers](#)' insights on making a tangible difference in communities inspired us to launch a Digital Toilet Paper Drive. Instead of the logistical challenge of transporting physical goods, we will be collecting monetary donations to support the purchase of toilet paper.

With the funds raised, we will buy toilet paper in bulk and ship it directly to Shelter KC. This method simplifies the donation process and maximizes our impact, ensuring our support reaches those most in need. This approach aligns perfectly with the spirit of generosity and community championed by Dan Meers, making our collective effort both practical and meaningful.
