HR Law: What You Need to Know - Oct. 29

Elizabeth Nillen, JD, RN, attorney, Spencer Fane LLP

We often see employers promote employees who are great at their jobs into management without providing the necessary tools to be a successful manager. This webinar is designed to provide high-level guidance on basic employment law concepts that managers need to be aware, as well as some tips on transitioning into a management role.

With more than 15 years of employment law background, Elizabeth Nillen combines experience as an ICU nurse and knowledge as a health care lawyer to investigate employment claim for health care companies. Nillen also handles day-to-day legal affairs for her clients, representing them in all facets of the employment relationship, in addition to their health care law-related concerns.
