Grant Writing Basics: Budgeting Essentials

Grants can be a great way to start and/or maintain non-reimbursable programs, but the application process can sometimes feel overwhelming. An important piece of a grant proposal is the project budget.

Join us for a webinar on Nov. 1 for discussion on the essentials of a good budget. Topics include:

- The importance of budgeting;
- Key components of a grant budget;
- Compelling budget narratives; and
- Tools and resources for effective budgeting.

We encourage hospital CEOs, CFOs and other hospital leaders interested in grant funding to participate in this webinar.
