In today's rapidly evolving health care landscape, understanding compensation and benefits strategies is more critical than ever. Join KHA for an educational webinar on Dec. 11, from noon to 1:00 p.m. where Gallagher Surveys will provide valuable insights into the compensation trends affecting hospitals and health care organizations.

- **Overview of Historical Compensation Trends**
While the data presented will be from this past year's compensation survey, this session will provide context to understand how past trends influence current compensation strategies within health care.
- **Strategies for Effective Compensation and Benefits**
Explore innovative strategies hospitals can implement to enhance their compensation and benefits packages, drawing insights from past data.
- **Preparing for the 2025 Compensation Survey**
Learn why the upcoming 2025 survey is vital for your organization, and discover how to leverage existing survey data to prepare for future planning and decision-making.

Speakers:

- Thomas Cummins, Senior Consultant, Gallagher Surveys
- Tom Wardrip, Consultant, Gallagher Surveys

Who Should Attend:

This webinar is tailored for human resource leaders, hospital administrators and anyone interested in understanding and improving compensation strategies within the hospital setting.
