

QUALITY CORNER CALL

May 6, 2025
12:00-1:00 p.m.
Webinar Fee: No charge

What Does This Report Say About Us?

The Medicare Beneficiary Quality Improvement Program provides an opportunity for hospitals to look at data, compare results against other Critical Access Hospitals and partner with other hospitals to ensure the highest quality care to all patients. Demonstrating value by providing cost efficient, quality care is the future of health care reimbursement. MBQIP takes a proactive approach to ensure CAHs are well-prepared to meet future quality requirements.

The May 6 Quality Corner Call will focus on interpretation and use of the MBQIP Hospital Data Reports. Susan Runyan, consultant for Healthworks, will discuss:

- Two new FLEX Monitoring Team reports:
 - MBQIP Measures Hospital Report
 - Hospital-Level HCAHPS Report
- Interpreting the reports to support improvement;and
- Resources available for best practices on MBQIP measures and quality improvement strategies

Quality Corner Calls are offered by the Kansas Department of Health and Environment in conjunction with Healthworks. They focus on quality improvement activities consistent with the Medicare Rural Hospital Flexibility Grant Program.
