

## **Kansas Hospital Association Trustee Education**

### **Hospital Governance in Challenging Times**

This 2:57 minute video from Kimberly Russel highlights her presentation at the KHA's Critical Issues Summit.

**After the video, consider these discussion questions:**

Do we have governance essentials in place?

How much time (per board meeting) do we spend in strategic discussions?

How strong is the partnership between the CEO and the Board Chair?

How strong is the partnership between the CEO and the Board as a whole?

How do we make our board better prepared for challenges and changes?
