Legal and Ethical Considerations in AI Health Care Applications

This one minute video from Susan Frew highlights her presentation at the KHA's Critical Issues Summit.

After the video, consider these discussion questions:

How has AI impacted my life (and the lives of our patients)?

How has AI impacted our hospital operations?

What AI tools might we want our hospital team to explore for future use?

Do we have to the needed policies and procedures specific to AI use at our hospital?
